

CASA TABLE COLLECTION  
CASA CONCRETE DINING TABLE

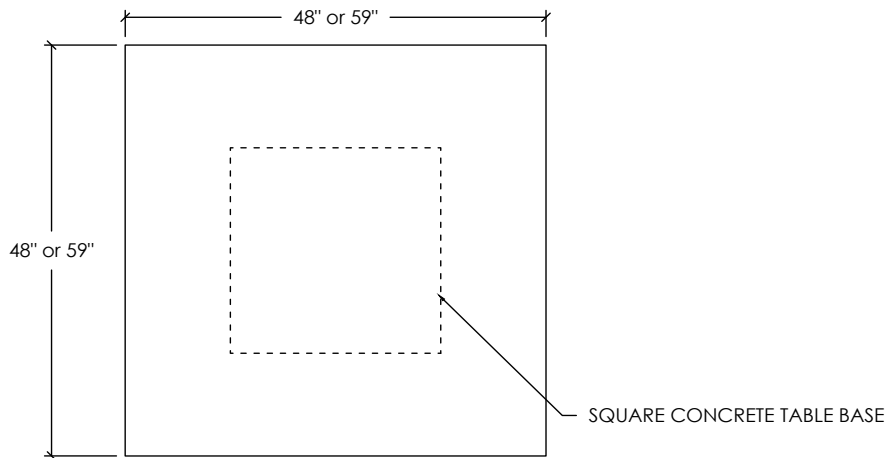

SKU: TBL-CASA

- 8 concrete color options (for both table top and base)
- Table height is 30" / Leg clearance is 28"
- Concrete top is 1" thick with a 2" profile and a 3/4" hidden subdeck
- Pedestal-style base is hollow-cast concrete in our "Industrial" finish, displaying natural surface holes and variation
- Light assembly is required: top sub deck mounts to heavy-duty stainless steel brackets cast directly into the base
- Top and base treated with 3 coats of industrial-grade sealer
- Intended for indoor use. Outdoor available upon request.
- Handmade in the USA

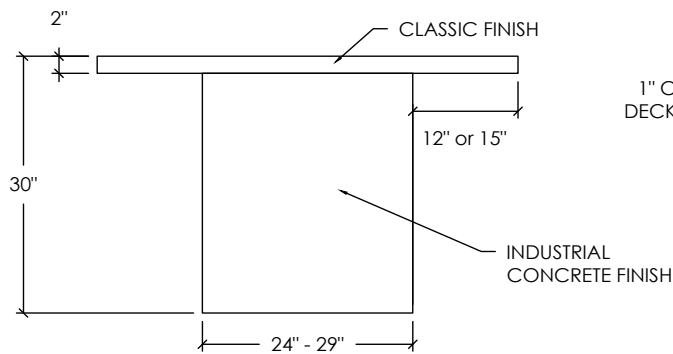

Table Sizes:
